

ReContext Data Solutions

I-Day Data Empowerment Training

Schedule

| | |
|-------|--|
| 9:00 | Welcome & Team Intros |
| 9:15 | Widening Perspectives: Insights from the Latest Research |
| 10:30 | Break |
| 10:45 | Building a Culture of Data: The Data Team Protocol |
| 12:00 | Lunch |
| 12:30 | Introduction to the ReContext Methodology & Polarys |
| 1:30 | Setting Your Path to Achieve Your Vision: The E-O-I Protocol (Ends, Outcomes, & Indicators) |
| 2:30 | Break |
| 2:45 | Building Your Plan: Next Steps for Your District/School |
| 3:45 | Questions & Debrief |

Essential Learning Outcomes (ELOs):

- I can develop strategies for growing a data culture within my school and/or district
- I can hold data meetings that serve the school's goals
- I can recognize the difference between ends, outcomes and indicators and use them to create school improvement plans
- I can utilize Polarys to develop collaborative teams and resources for school improvement

Essential Tools:

- Laptop or other computing device of choice (must be wireless and spreadsheet capable)
- School data (template provided)
- Team-generated narrative that answers two questions:
 - What is your typical process for making meaning out of data and forming action steps?
 - During a recent strategy session, what needs did you identify and how did data factor into the determination process?
