POLARYS SUCCEED FAQS

What is Polarys Succeed?

Polarys Succeed is a completely holistic school improvement system. Following the program will allow a school to:

- Identify genuine opportunities to improve across the entire school, not just a few measures of student performance, like exam scores and graduation rates
- Create agreement among core staff members
- Identify greatest opportunities for "bang for your buck"
- Learn from "True Peer Schools" which serve demographically-similar populations, maximizing the opportunities to truly share best practices with schools that serve students just like yours

Polarys Succeed participants receive training, unique tools and materials that result in a complete school improvement plan that zeroes in on your most important goals.

How is Polarys Succeed different from other school improvement programs?

- Focuses on empowering school leaders
- Looks beyond the obvious
- REAL data analysis, not just pretty graphs
- Sees you through the whole improvement cycle

What will we get with Polarys Succeed?

- Free registration for 2 team members in the Core Skills School Data Empowerment "Boot Camp"
- Consultations with school-improvement experts
- 2-hour guided team launch session
- Unique tools that cut through massive amounts of data to focus on your biggest opportunities for serious growth and savings
- Materials, protocols and forms that focus teams on what matters
- Unlimited Polarys data

Do we have to follow Polarys Succeed exactly?

Polarys Succeed is designed for maximum flexibility for easy integration into your unique school and team. That said, the more closely a school follows the process, the more likely it is to see the benefits of using it.

What does it cost?

- $5000/team, includes unlimited 1-school Polarys accounts ($1200 value) and 2 registrations to the Core Skills in School Data Empowerment "Boot Camp" ($800 value)
- Most participants use Title IIa funds
- 20% discount for any additional Polarys subscriptions in your district

What kind of problems can we tackle with Polarys Succeed?

Any challenge related to:
- Finances
- Student scores
- Grades
- Equity
- Staffing
- Community engagement
- Parental satisfaction

Who should be on our Polarys Succeed team?

Team Leader: a decider who can make tough calls and direct investments in your system.
Team Members: 5 to 10 people who represent a broad cross-section of stakeholders.

Participants may include:
- Department leaders
- Teachers
- Senior administrators
- Interventionists
- Coaches

Teams may also included students, parents, district personnel and board members
